## Drop Off Examinations:

You are leaving your pet here with us today for an examination by one of our highly trained doctors. It is important that we are able to be in contact with you at any point while your pet is in our care. If, after the examination, your pet's condition requires further treatment or diagnostics we will attempt to contact you at the phone numbers you have left below.

**If you are not able to be reached or a condition is found which requires additional or urgent medical care and our staff does not have time to alert you, please indicate how you would like us to proceed:**

Initial **one** option:

\_\_\_\_\_ I authorize **NO** medical care, beyond the standard examination and administration of medical and or surgical procedures of an emergency nature, to be given to my pet.

I specifically decline medical care which may be necessary to save my pet's life.

\_\_\_\_\_ If I cannot be reached, additional medical care not to exceed \$\_\_\_\_\_ may be instituted, if necessary. Further treatment beyond the above value requires my consent. A deposit at time of drop off is required.

\_\_\_\_\_ If I cannot be reached, please attend to my pet as needed. A deposit at time of drop off is required.

\_\_\_\_\_ I am dropping off my pet for an examination prior to boarding.

If you are dropping off your pet for an examination prior to boarding it is extremely important that you are available to be reached to discuss the examination results. There is a possibility that your pet may not be healthy enough to board with us or your pet may be found to have an illness requiring medication to board. Additional fees for medication and daily administration will apply. **These fees can become substantial depending upon the illness circumstance.** If we cannot reach you at the phone numbers below your signature on this form gives us permission to attend to your pet's illness as it pertains to our standard of boarding care and you will be responsible for all incurred charges. A deposit at time of drop off is required.

**Phone number(s) I can be reached at today:**
